ISLAND BLOCK & PAVING PRODUCT INFORMATION

FREESTONE ECO RETAINING WALL SYSTEM

The Freestone Eco Retaining Wall System is a sustainable, environmentally friendly DIY retaining wall. Each block has self locating lugs which easily lock into the block above to provide a vertical wall. The Freestone Eco Retaining Wall System is manufactured with up to 40% recycled glass aggregate and is treated in manufacture to expose the glass coloured aggregate on the surface to achieve a unique exposed glass finish. Purpose made 90 degree corner and bullnose capping units are provided for ease of construction and to provide a complete system.

islandblock.com.au/freestoneeco

TASMAN RETAINING WALL SYSTEM

The Tasman Retaining Wall System incorporates purpose made corner and capping units to provide classical reconstructed stone retaining walls. Each Tasman block has a split textured finish and only a 10mm setback, which allows all available space to be utilised to the maximum. Curved or straight walls can be erected and it is easy to build 90-degree corners with the purpose made corner blocks. A capping unit is adhered to the top course of blocks. Tasman blocks are suitable for walls up to 6 metres high.

islandblock.com.au/tasman

NORFOLK RETAINING WALL

The Norfolk Retaining Wall Block System is an attractive Interlocking Wall System which has the natural look of quarried stone and blends into any landscape situation with its sculptured rock-face texture. Available in 3 colours, each block interlocks to the block below and creates a 50mm setback per course. The Norfolk Blocks can be built straight, curved or terraced to fit into the contours of the embankment.

ARTIFICIAL GRASS

Island Block & Paving stock a range of low maintenance, weed free, waterless, premium grade artificial grass which is available in 2 metre and 4 metre roll widths. The Artificial Grasses are of the highest quality and are available in Summer Grass 30 and Premium Grass 40 grades. A comprehensive installation guide is available.

islandblock.com.au/artificialgrass

Island Block & Paving also sell:

Pave-Lok Jointing Sand \$18.00 per bag (coverage approx 12-15m² per bag).

Paving sealer \$220.00 per 20 litres (coverage per 20L approx 40-50m², allowing 2 coats).

PAVERS FOR THE FUTURE

Pavers for the Future is a sustainable, environmentally friendly paving range. The Pavers for the Future are manufactured with up to 40% recycled glass aggregate and are treated in manufacture to expose the glass coloured aggregate on the surface to achieve an attractive exposed glass finish. The Pavers for the Future range is available in 400mm x 300mm x 50mm thick pavers. Sealing is recommended to highlight the glass aggregate once laid.

islandblock.com.au/paversforthefuture

WEEDFREE PAVERS

Island Block & Paving produce a full range of coloured Weedfree pavers, available in many shapes and sizes. Weedfree pavers are suitable for entertaining areas, driveways, paths, pool surrounds and commercial paved areas. The Weedfree pavers are manufactured with Tech-Dry water repellent additives which inhibit weed and moss growth because they don't absorb water. This ensures that any future maintenance is kept to a minimum.

islandblock.com.au/paving

EXPOSED AGGREGATE PAVERS

Island Block and Paving offer a comprehensive range of exposed aggregate finished Weedfree pavers. Exposed aggregate pavers can be manufactured specifically to an architect's specification ie. colour, colour of aggregate and the degree of shot blasting can all be varied to suit an individual design. Exposed aggregate pavers are non slip because of their texture and are used for many applications.

islandblock.com.au/exposedpaving

DRIVESTONE PAVERS

Drivestone pavers are the biggest and the best exposed aggregate driveway pavers available. The large format pavers are a massive 400mm x 300mm x 65mm thick and are suitable for residential driveways, parking areas or light commercial vehicle areas. Drivestone pavers are quick and easy to lay, are delivered to site pre finished with the exposed aggregate finish and provide a non slip and highly attractive driveway finish.

BONUS roller and sealer kit is supplied free with every 40m² ordered.
