

# BREEZE BLOCKS

**Breeze Blocks are an architectural contemporary classic, commonly used in years gone by and now back in vogue for exclusive designer buildings.**

Breeze blocks are used in architectural applications including garden screen walls, decorative internal partitions and facade systems in new homes or commercial projects. The Star Breeze Block is an internationally recognised breeze block pattern. One for the purists.

## Key benefits include:

- Quality textured finish
- Modern colours
- Easy to lay
- Ventilated wall option
- Ideal screening solution
