

FREE TASMANIAN METRO DELIVERY AREAS (minimum order 3 pallets)

DELIVERY TO SITE: - Safety of the delivery contractor, property, and goods, is always the number one priority. For sloping / dangerous / confined locations, the delivery driver will place the product in what is deemed the safest location at their absolute discretion. Delivery is deemed to be completed when the truck or forklift has completed delivery within a radius of 6 metres from the property's entry point. If this is not achievable product may be placed on the driveway.
