

BRICKS *for the* FUTURE

TASMANIAN BRICK PRICE LIST 1st MARCH 2024

Bricks for the Future offer an exclusive, environmentally responsible brick collection from Australia's leading independent brick manufacturer, Island Block & Paving.

Bricks for the Future are manufactured from a high-quality engineered sand, consisting of processed coloured recycled glass aggregates. Patented and Global Green Tag certified, Bricks for the Future are the quality brick choice. The high-end brick ranges have many surface finish options, including "Smooth", "Exposed aggregate" and "Refined" which provide a multitude of design options for the architecturally inspired.

PREMIUM BRICK RANGE– Global Green tag certified, "ECO" bricks are made with a sand from coloured glass aggregates in on trend colours which provide a unique surface that softly glistens in the light.

DESIGNER BRICK RANGE– Contemporary colours and neutral blends, designer bricks are made with natural sand aggregates. In demand whites and pastels are a speciality.

RECLAIMED BRICK RANGE– Global Green tag certified, The Reclaimed Brick collection encompasses the charm and rustic appeal of recycled bricks, creating yesterday's look today.

BESPOKE BRICK RANGE– Global Green tag certified, the 390mm L x 110mm W x 60mm H, custom made, Bespoke Bricks are provided for designers aiming to make a design statement with long format, low profile bricks.

Bricks for the Future Retail Price List

Tasmania – 1st March 2024

GST Inclusive (Excluding Delivery)

Smooth Finish 230L x 110W x 76H mm

“Smooth Finish” bricks are well known for their clean lines, dimensional accuracy, and ultra smooth texture. To minimise maintenance all bricks are made with water repellent inhibitors to help prevent staining. Bricks for the Future are colourfast, i.e. coloured throughout to last for a 100+ year lifespan.

Premium Range

	Price per m2 (50 per m2)	Price per 1000
Ebony ECO, Mist ECO, Pewter ECO, Pontville ECO, Storm Grey ECO, Walnut ECO, Auburn ECO	\$73.75	\$1475
